

ETHICS

This course is intended for all persons who need to apply the principles of ethics to improve organisational culture. This course is intended for managers in all economic sectors. These managers would typically be second level managers such as heads of department, section heads or divisional heads, who may have more than one team reporting to them.

The Student would gain competencies from this course to be capable of:

- Demonstrating understanding of the relationship between values, ethics and organisational culture and its impact on achieving goals and objectives.
- Applying the concept of corporate ethics to a unit.
- Analysing the unit in relation to the principles of corporate ethics.
- Formulating recommendations for promoting organisational values, the code of conduct and ethical practices within a unit and entity.
