

RISK MANAGEMENT

This course is intended for all persons who need to monitor, assess and manage risk. This course is intended for managers in all economic sectors. These managers would typically be second level managers such as heads of department, section heads or divisional heads, who may have more than one team reporting to them.

The Student would gain competencies from this course to be capable of:

- Demonstrating an understanding of business processes and potential risks to a unit.
- Identifying potential risks and assessing the impact thereof in a unit.
- Developing contingency plans for managing risk.
- Testing and revising contingency plans.
